

Embroidered Appliqués

Our stick-on custom-embroidered appliqué are perfect for trade show and convention use for promotion, identification and branding. They are 100% embroidered and cut to any shape or size. Available with either self-stick backing (EMA1) or heat-seal backing (EMA2). The 100% embroidered appliqué with heat-seal backing is ideal for caps as it appears to be directly embroidered at a fraction of the price.

- No tape or setup charge
- 100% embroidered
- PMS colors will be matched to closest thread color
- Includes up to 8 color threads
- Add 20% for silver or gold metallic thread
- Size = (Length + Width)/2
- EMA1 includes self-stick backing – appliqué are on release paper
- EMA2 includes heat-seal backing
- Delivery is approximately 3 weeks from receipt of confirmed order
- Pre-production sample scans sent in 5-7 days

Appliqué Pricing

EMA1 100% embroidered with self-stick backing
